**\*\*\*Please note that the area around the rings is out of bounds after dark\*\*\***

This year we have decided to fence our rings; this is a trial basis so may not happen next year. The intention is to create a clear visual boarder for our judges and hopefully deter dogs from running into another ring and onto their equipment.

The fencing is NOT being provided to keep dogs in or out of the rings. It is YOUR responsibility as a handler to ensure that your dog is under control at all times, as required by law (See Rule 22).

Any dog that shows a tendency to chase whilst under test will be asked to leave the ring.

To give all our dogs the best possible chance, we ask that spectators stand and keep their dogs at least two meters away from the fencing.

**\*\*\*DOGS ARE NOT TO BE TIED TO FENCING OR RING POSTS AT ANY TIME\*\*\***

## **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Royal Kennel Club Licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows: -

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

A class will be won by the dog that has completed the course in the fastest time with the least number of faults, unless otherwise stated for special classes.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referred in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard Classes at Royal Kennel Club Licensed Agility Shows. Only a first place with a clear round within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

## **STANDARD CLASSES**

Only first prizes and points gained in standard classes at Royal Kennel Club Licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

## **SPECIAL CLASSES**

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, the dog walk and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule. Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Royal Kennel Club shows.

25. In estimating the number of awards won, all wins up to and including 18 days before the start of the competition, i.e. (17<sup>th</sup> August 2026), shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show (21<sup>st</sup> August 2026). The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a refund of the relevant entry fees.
26. Should circumstances so dictate the Society, in consultation with the Judges, may alter arrangements as necessary; such changes and the circumstances surrounding them will be reported to the Royal Kennel Club.
27. In the event that the show is cancelled due to unforeseen circumstances, Letchworth DTC will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show/trial. Alternatively, Letchworth DTC will refund fees within 3 months of the show date, to all those that had entered and request a refund within 1 month of the show date.
28. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be carried in the hand or given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.
29. No dogs' crates or boxes should be left near or between rings. Societies may, if they wish, designate areas where dogs' crates and boxes may be left in the vicinity of the rings.
30. Dogs must not be tied to fencing, ring ropes or left unattended at any time.
31. No Smoking or vaping is allowed within the ring area.
32. The handler must set their dog up to start within the ring. Dog and handler must enter the ring together and under no circumstances may a dog be left outside the ring off lead and recalled or sent to the handler in the ring.
33. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
34. Separate entry forms must be completed by each owner and must be signed by the owner or his authorized agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees.
35. Free Passes – Not Applicable.
36. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulation will be liable to be fined and/or dealt with under Royal Kennel Club Rule A11.
37. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Royal Kennel Club.
38. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.
39. **Animals in Event** - No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
40. A pay on the day class will be held if time permits.
41. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.
42. **Welfare of Dogs** - An exhibitor (or competitor) whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Royal Kennel Club. This shall apply at the venue and within the precincts of the show.
43. All dogs are entered at this show at their owners' risk and whilst every care will be taken, the management of the show do not accept responsibility for loss, damage or injury however caused to dogs, persons or property.

45. Training will not be permitted in the ring before, during or after the show.
46. Day Parking -Should leave the venue within an hour of the show closing each day.

**Note:** Children under the age of 12 are the responsibility of a Parent or Guardian and must be supervised at all times including when competing.

**Right to Refuse Entries:** Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at RKC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Warning:** if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused. Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Royal Kennel Club Rules and Regulations.
